

REPORT
for the 1th quarter of 2020 года at work
DC «Chemical technology of organic substances»

N	Full Name	Date of birth	Study period	University, Where PhD Student studied	Dissertation topic	Scientific Supervisors (full name, Scientific degree, Place of work)	Official reviewers (full name, Scientific degree, Place of work)	Date Of defense	The decision Of the DC and the Appeal Commission (if any)	№ diplo me
2	3	4	5	6	7	8	9	10	11	
Dissertation Council of the specialty (6D072100- Chemical technology of organic substances)										
	Toleutay Gaukhar	1989	2016-2019	KazNITU named after K.I.Satpayev	Physico-chemical, complexation, and catalytic properties of linear and cross-linked polyampholytes	1.Kudaibergenov Sarkyt Yelekenovich – doctor of chemical sciences, professor, Head of LIP (Satpayev University) 2. Galaev Igor Yuryevich - PhD in chemistry, Associate professor, doctor of Philosophy, (Delft, Holland - DSM Biotechnology Center).	1.Zharmagambetov a Alima Kainekeevna – doctor of chemical sciences, professor , Head of the organic catalysis laboratory of the Institute of Fuel ,Catalysis and Electrochemistry named after D.V.Sokolsky (02.00.15), Almaty 2. Kaldybekov Daulet Bolatovich – doctor PhD, Senior Lecturer , department of chemistry and thecnology of organic substances, natural compounds and polymers, Kazakh National University named after al-Farabi,Almaty	14.02.2020	award Ph.D. of the specialty 6D072100 – Chemical technology of organic substances	

Chairman of the DC
Doctor of chemical sciences, professor

Kudaibergenov .S.E.

Scientific Secretary of the DC
Doctor of chemical sciences, professor

Selenova B.S.
