Note:

1. By the decision of Academic Council, discounts for training can be provided to corporate clients, legal entities, socially vulnerable and other groups of the population.
2. To transfer academic debt for all degree programs for 2024-2025 academic year of full-time study, to set a single cost of 1 credit in the amount of **28,333** tenge (for students of 4 and 5 years of study).
3. The cost of tuition fees for students who have been restored or transferred to KazNRTU named after K.I.Satbayev is established as the cost of studying based on the degree program on the course of restoration or transfer, or according to the cost established by the contract (for legal entities).
