Note:

By decision of the Academic Council, tuition fee discounts may be provided to corporate clients, legal entities, socially vulnerable groups, and other segments of the population.

For the 2025–2026 academic year full-time programs, the unified cost of 1 credit for retaking academic debts is set at 28,333 KZT (for students enrolled in 4- and 5-year programs).

The tuition fee for students reinstated or transferred to Satbayev University is determined based on the tuition cost of the educational program at the course level of reinstatement or transfer, or according to the amount specified in the contract (for legal entities).
