The Dissertation Council has held 1 (one) meeting during the report period.

2. Names of council members who attended less than half of the meetings

- no

3. List of doctoral students with an indication of the organization

№	Full name of student	Name of University
1	Alashbayeva Nursulu Mukhanbetovna	Kazakh National Research Technical University named after K.I. Satbayev

4. The brief analysis of dissertations that have been considered by the Council during the reporting year

The Dissertation Council considered 1 (one) thesis in the reporting year. The names of dissertations by specialization are given below:

№	Full name	Thesis name	Code and name of the specialty
1	Alashbayeva Nursulu Mukhanbetovna	Methods for Managing Investment Projects for Resource Development of a Company (on the example of JSC "NC "KTZ")	6D051800 – Project Management

4.1. Analysis of the topics of the thesis of Alashbayeva Nursulu Mukhanbetovna for the degree of Doctor of Philosophy (PhD) on the topic: "Methods for Managing Investment Projects for Resource Development of a Company (on the example of JSC "NC "KTZ")", specialty 6D051800 – Project Management.

The current research areas of this dissertation include the importance of infrastructure in Kazakhstan, the role of digital transformation and modernization in stimulating investment policy, the limitations of traditional project management methods, and their economic and social impact. The relevance of the topic "Methods for Managing Investment Projects for Resource Development of a Company (on the example of JSC "NC "KTZ")" for Kazakhstan is directly related to the objectives of modernizing railway infrastructure, increasing transit potential, and ensuring sustainable growth of the national economy. As the main operator of the country's transport system, JSC NC KTZ implements large-scale investment projects, and their effective management contributes to strengthening the country's economic security and competitiveness.

4.2 Connection of the topics of dissertations with the directions of development of science, which are formed by the Higher Scientific and Technical Commission under the Government of the Republic of Kazakhstan in accordance with paragraph 3 of Article 18 of the Law "On Science" and (or)

state programs.

This dissertation was completed in accordance with official documents aimed at implementing the priority areas of scientific and technological development of the Republic of Kazakhstan and the strategic development policy:

- The Concept of Investment Policy of the Republic of Kazakhstan until 2026. Approved by Decree of the Government of the Republic of Kazakhstan dated July 15, 2022, No. 482.

- In accordance with the instruction approved by Order of the Minister of National Economy of the Republic of Kazakhstan dated December 5, 2014, No. 129 (4. Intellectual potential of the country. 4.2. Fundamental and applied research in the field of social sciences and humanities. Specialized area - improving the economy, management, and development of industry and enterprises in the context of digitalization and investment transformation).

4.3 Analysis of the level of implementation of the results of dissertations in practice.

Based on the results of the study, 7 scientific papers with a total volume of 7.1 printed pages were published, including: 1 article in the international peer-reviewed scientific journal Montenegrin Journal of Economics, indexed in the Scopus database in the General Economics, Econometrics and Finance category with a CiteScore of 3.8, 4 articles in the Bulletin of the Kazakh University of Economics, Finance and International Trade, a publication recommended by the Committee for Quality Assurance in Science and Higher Education of the Republic of Kazakhstan, and 2 articles in other publications.

5. Analysis of the work of reviewers (with examples of the most low-quality reviews)

Reviewers of dissertations of doctoral students for the degree of Doctor of Philosophy (PhD), were appointed persons in accordance with the requirements of the Standard Regulations on the dissertation Council.

Information about the appointed reviewers is provided below:

№	Full name	Reviewers		
1	Alashbayeva Nursulu Mukhanbetovna	Adambekova Ainagul Amangeldinovna, Doctor of Economic Sciences, Professor, Al-Farabi Kazakh National University, Almaty, Kazakhstan.	Tolysbaev Bauyrzhan Sovetovich, Doctor of Economic Sciences, Professor, L.N. Gumilyov Eurasian National University, Astana, Kazakhstan.	

In order to ensure compliance with the requirements of the Standard Regulations on the work of the Dissertation Council, each reviewer was sent a memo with the requirements for the content and design of the review of the dissertation work.

All the reviews were submitted on time and in accordance with the requirements of the Committee for control in education and science of MSHE of RK. There are no low-quality reviews.

6. Proposals for further improvement of the system of training of scientific personnel

to ensure high-quality consideration of works at the seminars of the department.
