

PLAN
for staff training for the 2025-2026 academic year
for the Department of Materials Science, Nanotechnology and Engineering Physics

№ n/n	Contents of the training event	Information about the personnel to whom the measure applies	The duration or period of the event	Responsible executor	Mark of comple- tion or postpone- ment of the dead- line
1	2 Participation of the faculty of the department in scientific and methodological seminars of the department, institute, university. Educational and methodological trainings of the faculty of KazNITU	3 Faculty and teaching staff of the department	4 During the academic year	5	6 Certificate of participation
2	Advanced training course on the topic "Synthesis of nanomaterials (soot, carbon nanotubes) in flame"	Faculty and teaching staff of the department	From September 5 to September 2025	"Laboratory of Engineering Profile"	Certificate of participation
3	Advanced training courses "Organization of the educational process in the context of the development of inclusive education"	Faculty and teaching staff of the department	From October 20 to October 23		Certificate of participation
4	Practical seminar "Microscopy, spectral analysis and mechanical testing"	Faculty and teaching staff of the department	From October 5 to October 7, 2025.	"Laboratory of Engineering Profile"	Certificate of participation

Approved:

 Director of the Mining and Metallurgical Institute
 K.B. Rysbekov
 2025 г.

MINISTRY OF EDUCATION AND SCIENCE OF THE REPUBLIC OF KAZAKHSTAN
SATBAEV UNIVERSITY

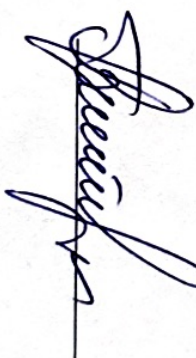

5	Seminars on Materials Science: Biopolymer Materials Based on Biomass and Nanocellulose: Production, Modification and Application	Faculty and teaching staff of the department	From October 21 to November 18	M&MI named after O.A. Baikunurov, Department of Material science, nanotechnology and engineering physics	Certificate of participation
6	Seminars on Materials Science: Thermally Expanded Graphite as a Sorbent for Water Purification from Oil and Organic Pollutants: Production and Characterization	Faculty and teaching staff of the department	From November 15 to December 15	M&MI named after O.A. Baikunurov, Department of Material science, nanotechnology and engineering physics	Certificate of participation
7	Master class on the topic: "Infrared spectroscopy method"	Faculty and teaching staff of the department	From January 10 to January 15, 2025	"Laboratory of Engineering Profile"	Certificate of participation
8	Association of scientists	Faculty and teaching staff of the department	2025-2026 academic year	"Laboratory of Engineering Profile"	Certificate of participation
9	A series of scientific webinars on modern laboratory analysis methods	Faculty and teaching staff of the department	2025-2026 academic year	ORIONICA LPP	Certificate of participation
10	Participation of the department's faculty in international conferences	Faculty and teaching staff of the department	2025-2026 academic year		Certificate of participation
11	Taking English language courses	Faculty and teaching staff of the department	2025-2026 academic year		Certificate of participation

APPROVED:
Quality Management Representative

Kakimov U.K.
