

**Material and technical base
of educational programs 6B07205, 7M07203 - "Mining engineering"**

№	Audience No.	Academic building	Area, square meters	Purpose of premises	Boarding place according to passport
1.	1	MMB	41,6	Audience underground development of reservoir deposits	16
2.	3	MMB	63,1	Audience underground mining processes	24
3.	9	MMB	39	Open-pit mining audience	16
4.	13	MMB	45,3	Educational Laboratory of rock physics	16
5.	19	MMB	64,3	Educational laboratory drilling and blasting	32
6.	110	MMB	14,2	Office for the preparation of undergraduates, doctoral students	2
7.	113	MMB	66	Academic auditorium "Academician O.A. Baikonurov Museum"	30
8.	115	MMB	45	Teaching	6
9.	117	MMB	66	The auditorium named after Academician A.S. Popov	30
10.	124	MMB	80,5	Laboratory of Mine Aerology named after Chulakova P.Ch.	32
11.	133	MMB	41,6	Computer class	12
12.	156	MMB	16	Classroom mechanics of structures and underground structures	8
13.	158	MMB	39,3	The audience named after prof. A.V. Brichkin for mining operations	18
14.	160	MMB	54	Teaching	6
15.	162	MMB	20	The auditorium named after Academician G.I. Tambiev.	12
16.	167	MMB	18,7	Educational laboratory mechanics of underground structures	8
17.	234	MMB	18	Office of the head of the Department of "Mining"	1
18.	241	MMB	23,6	Research Laboratory "Computer modeling of open and explosive works"	4
19.	242	MMB	45,3	Teaching	6
20.	243	MMB	37,5	Meeting and Negotiation Cabinet	15
21.	244	MMB	63	Cabinet of open-pit mining	30
22.	248	MMB	18	Cabinet of Academician of NAS RK Rakishev B.R.	1

Head of the Mining Department

S.K. Moldabaev
